for a boy to learn the art of bondage, he needs the sense of how to make himself helpless. and this sense is to be created by the circumstance of the bondage, like in a japanese bondage. and this effect, after all, is really important in the art of bondage. if this sense of helplessness is not created, it is useless to do it. it is more important to make a man helpless by the art of bondage than to have sex with him. no, i think that. so, i did not like the word "bondage" and i did not want to think about what i did with the men. i thought that i was a normal girl. i am not a "slave", i am a normal girl. but i was not normal. i liked the japanese bondage. i was not good at it, but i liked the way that it was difficult for me. and i thought that i would like to learn about it. and i found that it was very difficult to learn how to do it. and i learned how to do it with my own style. i like to make a man helpless by the art of bondage. i like to put a man
